

REMARKS

The changes to the claims are being made to overcome the objections and rejection set forth in the Office Action, thereby placing the application in condition for allowance. In particular, claim 1 has been amended to incorporate the limitations of claim 2, thereby overcoming the prior art rejection. In addition, the new language includes the changes that the Examiner suggested be made to claim 2 for consistency and clarity. Similar changes have been made to claim 10, while the suggested change to claim 4 has also been made both to claims 4 and claim 10.

In view of the forgoing, the application now appears to be in condition for allowance. Accordingly, favorable reconsideration is respectfully requested.

Respectfully submitted,

By: William A. Blake
